This Catechism is part of a three part publication completed in the Year of Grace 2000.

2. A Guide to Apostolic Community Life; for Families, Youth and Children
3. A History and Review of the labour of the Church

We must never forget that right belief and right behaviour must always go together, and that right behaviour arises from right belief. God is pleased with our conduct in life only when it arises from trust in Him and His word.

This replaces previous publications of 1908, 1933, 1951, and 1967. (All published under the Authority of the Apostles at that time.)
